There are no refunds or credits of any kind especially for cancels day of or hours before the service is needed. That time cannot be filled with another client on the spot.

If the Pet Sitter arrives at Client's home and Client turns away service, then Client is responsible for **100%** of the full visit rate. There is an additional charge for administering any medications or any extra medical care needed.

If paying via E-Payment, the **payment request** must be **completed** before you depart for your trip. Heather will send a payment request which will be found in your notifications tab.

Please visit the **FAQ** page on the website: www.heatherpetcare.com for further information on job sharing and why Heather's Pet Care doesn't allow it.
