Please text Heather when ready to book with exact dates and times. To secure the dates and times, the **total** job is owed while booking. Our team and Heather take away time from friends and family to help with your fur babies! If you need to cancel the job or any part of the job, please understand we will not refund any portion of the job.

New Clients:

Once we discuss dates and times, we will need to setup a meet and greet immediately to ensure everyone is a good fit. If we are months out from the scheduled trip, there may be an additional meet and greet which will result in another consultation fee.
